## Press Release

### Romantic Caribbean Wedding Location Launches New Website

#### Online Bookings, Wedding Packages and More!

Cabrera, Dominican Republic – (PRWeb) – September 22, 2005: Villa Castellamonte, one of the Dominican Republic's most exclusive luxury private villa resorts, announced today that it has released its new Caribbean wedding website at <http://weddings.villa-castellamonte.com>. The new site is designed to provide a wealth of useful information on Caribbean wedding and beach honeymoon planning, offers online booking aids and provides customizable wedding packages.

"Villa Castellamonte has risen rapidly to become one of the most popular and sought after private villa rentals in the Caribbean," said Jason Matthews, owner of the luxury villa. He added, "We host over a dozen weddings annually so it followed that developing a site dedicated to villa wedding planning, including everything from pre-defined packages to photographers, would be very useful to our guests."

As part of the dedicated wedding website development, Villa Castellamonte has partnered with over two dozen of the most highly respected wedding photographers, all members of the Wedding Photojournalist Association ([www.wpja.com](http://www.wpja.com)). This addition will provide brides and grooms with a broader assortment of professional photography and videography for their special occasion. The villa will also continue to provide access to superb local photography professionals.

"Partnering with these U.S.-based wedding photographers, in addition to our domestic professionals, provides our guests with more choices." commented Felicita Hadley, guest services manager of the villa. "We provide the bulk of the wedding planning for our guests
