Hilary Magazine Reviews Villa Castellamonte

Raves about services, amenities and local features!

Cabrera, Dominican Republic – (PRWeb) – June 5, 2006: Villa Castellamonte, one of the Dominican Republic's most exclusive luxury private villa resorts, announced today that HILARY Magazine, America's oldest and most popular online women's magazine, has just published a very positive review following a recent stay at the villa. Villa Castellamonte invited Hilary Rowland, the editor-in-chief, and a small group of friends to provide an unbiased review of the villa.

"We are delighted that Villa Castellamonte met and exceeded the expectations of Hilary Rowland and her group, including Wade Rowland who is an internationally acclaimed travel writer," said Jason Matthews, owner of the ultra luxury villa. He added, "Although we constantly strive for excellence, it is gratifying to hear from such an esteemed source that we are meeting those high goals."

According to the review, Villa Castellamonte is "heaven on earth" sprawling across almost three acres of cliff-top land overlooking the Atlantic. Located in the rustic, rural community of Cabrera, the local area boasts many beaches, including one at the villa, a world famous golf course, restaurants and shops.

Hilary Rowland commented, "Staying at the Villa Castellamonte is an unforgettable experience. The thoughtfully attentive staff and the luxurious relaxing atmosphere make for the type of experience you will want to repeat again and again."
